WINERY ESTATE

RIVENDELL WINERY ESTATE

There is just something magical about outdoor events, they have a completely different feel that an indoor venue can't match. Rivendell is the most perfect location for outdoor weddings, with the stunning gardens, lush lawn and paired with a luxury tent, it sets the scene for making some magical memories.

Ceremony within the Hedges

Your guests will meander through the stunning manicured gardens and find themselves within the hidden and secluded hedge framed garden location. The perfect setting for an exclusively private ceremony.

Diet Coke
Lemonade
Orange Juice
Apple Juice
Water

Catering

You supply your own caterer, whether it's cocktail style, sit down meal, buffet or food trucks, it's your choice to decide the menu that suits your taste & occasion. The caterers need to be self sufficient and supply their own equipment depending on what they require for the food chosen.

Accommodation

There are several luxuriously appointed holiday homes on site that can accommodate you and your guests in style. The self-contained houses vary from 3 to 5 bedrooms and are ideally situated for pre and post wedding retreat. Please ask us for each villas contact details.

Things to know

Venue viewings - *by appointment only*

Pre Wedding Drop Offs - *Sorry but we don't have any facilities to hold food items prior to the day.*

Rehearsals - *Rehearsals the day prior are welcome. If there is a wedding the day prior then the rehearsal will need to be 10am and have the venue vacated by 11am.*

Transport - *Unfortunately there aren't any reliable taxi services and no Ubers in the area so bus is compulsory for any guests not staying on the property to get your guests to the venue and home safely*

Parking - *We have a large carpark with plenty of space for parking on the property, however they will need to park and walk down to the wedding area. There is no parking immediately at the wedding area.*

Start Time - *Ceremony start time is from 4pm with guests arriving from 3.30pm*

Confetti - *Bio-degradable confetti is great and real flower petals as confetti are perfect! No plastic confetti allowed.*

Dogs - *We certainly understand that fur babies are a super important part of your lives and you may wish to include them in your ceremony. That is fine as long as they are supervised and kept on a lead and leave the venue after the ceremony has concluded.*

Children - *There is open water sources and other potential hazards so children will need to be supervised at all times*

Wet Weather - *Unfortunately we don't have any undercover areas, therefore you will need to organise a structure in this situation*

Tent/Marquee or Tipi - *It can rain in any month of the year so it's always advisable to have a structure for your special day. The only months you are free to risk the weather and have an open air wedding is January and February.*

Tables - *Tables provided are designer style, no need for tablecloths. If you would like to have tablecloths, they are an additional extra.*

Music - *We do have noise restrictions, so therefore acoustic bands are fine but unfortunately we cannot allow subwoofers, electric guitar and loud drums. Volume is to be kept at an appropriate level.*

Venue Coordinator - *Our coordinator is here to help co ordinate your day and assist with communicating with your suppliers*

Vendor Requirements -

**DJ needs to supply their own power leads, table and cover if they require it.*

**Caterer needs to be self sufficient eg supply everything they need*

Drinks - *Rivendell is a licensed premises so no BYO drinks are permitted. Drinks options are outlined in Beverages page. Post Ceremony drinks start at the conclusion of the ceremony.*

Sparklers/Real Candles - *Due to fire regulations, no sparklers or open flames allowed.*

Finish Time - *Wedding conclusion time is 11.30pm. Bar service and music ceases at this time, allowing guests to vacate the property by 11.45pm.*

Conclusion of Wedding - *It's definitely a good idea to take away any food items at the end of the night as hire companies start very early to start removing furniture*

Pricing - *All pricing includes GST and is subject to availability*
